

## CONTENTS

Persatuan Geologi Malaysia Geological Society of Malaysia	i
Some Bahasa Malaysia (Malay) geographical terms.	ii
Microchemical aids to the identification of minerals developed in the Zone of oxidation, together with certain other non-opaque species, of hardness less than 5, which are of economic importance. ..... <i>K.F.G. Hosking</i>	1
Palaeozoic redbeds and radiolarian chert: reinterpretation of their relationship in the Bentong and Raub areas, West Pahang, Peninsular Malaysia. ..... <i>N.S. Haile, P.H. Stauffer, D. Krishnan, T.P. Lim</i>	45
Upper Mesozoic strata near Padang, West Sumatra. ..... <i>T.E. Yancey and Syarboel A. Alif</i>	61 *
The geology of Pulau Tekong, Singapore. ..... <i>Paul Haseldonckx</i>	75
K-Ar ages on some basic igneous rocks from Peninsular Malaysia and Thailand. ..... <i>J.D. Bignell and N.J. Smelling</i>	89
A review of the progress in knowledge of the geology and mineral resources of Malaysia from 1972 to early 1975. ..... <i>D. Santokb Singh and T.T. Khoo</i>	95
New ages from radiolarian cherts of the Chert-Spilitite Formation, Sabah. ..... <i>K.M. Leong</i>	109
The discovery of macrofossils at Selumar, Belitung, Indonesia. ..... <i>K.F.G. Hosking, T.E. Yancey, H.L. Stimple and M.T. Jones</i>	113 *
Kejadian dan implikasi korok-korok pegmatit sinplutonik di granit Gunung Jerai, Kedah. (Occurrence and implication of synplutonic pegmatite dykes in the Gunung Jerai granite, Kedah) ..... <i>T.T. Khoo</i>	117
Age relationship between the Kuantan basalt and dolerite dykes — field evidence. ..... <i>S.G. Lee</i>	121
Extension of the Kuala Lumpur fault zone. ..... <i>H.D. Tjia</i>	123
Structure of the Kenny Hill Formation, Kuala Lumpur and Selangor. ..... <i>B.K. Tan &amp; E.B. Yeap</i>	127

The nature and genesis of chalcopyrite with included pyrite framboids from Bylco Azira Mine, Puchong, Selangor, Malaysia. .....	<i>K.F.G. Hosking &amp; E.B. Yeap</i>	131
The behaviour of secondary lead species when subjected to the tinning test for cassiterite. .....	<i>K.W.P. Oh, E.B. Yeap and K.F.G. Hosking</i>	137
Pharmacosiderite and unusual samples of scorodite from Peninsular Malaysia. .....	<i>K.F.G. Hosking and E.B. Yeap</i>	141
The analysis of fluoride in tropical soils by selective ion electrode methods and its possible application to the search for sub-outcropping tin deposits in Peninsular Malaysia. .....	<i>G.H. Teh, K.W. Fung and K.F.G. Hosking</i>	151
