GEOLOGICAL SOCIETY OF MALAYSIA

Petroleum Geology Conference & Exhibition 2004

15-16 December 2004
Hotel Istana
Kuala Lumpur, Malaysia

Background

The Geological Society is a non-political and non-profit making scientific organisation. Founded in 1967, the aim of the Society is to promote the advancement of the geological sciences in Malaysia. Currently, it has more than 500 registered members worldwide.

In keeping with the Society's objectives to provide a forum for exchange of scientific and technical information and advancement in petroleum exploration and development, preparations are now being made to organise the 26th Petroleum Geology Conference & Exhibition in Kuala Lumpur. This year, the Conference & Exhibition will be held at the Hotel Istana on 15th & 16th December 2004. The Petroleum Geology Conference & Exhibition is a premier annual event of the Society and has been well attended by the geoscientific community, both local and abroad.

Exploration activities in this region are progressing well. Commendable results have been achieved, some of which are attributed to the innovative use of the latest advances in exploration technology. This Conference & Exhibition provides opportunities to share experiences as well as learn how innovative technologies are being applied to ensure discoveries. Many of the success stories will be told at this Conference & Exhibition.

Call for Papers

Once again we seek your support to ensure continued success of the Petroleum Geology Conference & Exhibition 2004. The Organising Committee wishes to invite you to participate and contribute papers on your experiences in hydrocarbon exploration and development,

research, new technologies, the environment and cost reduction initiatives. Papers and posters presented at past Conferences covered a wide spectrum of petroleum geology too. So, do share your experiences and expertise with the fraternity and together let us all ensure the success of this Petroleum Geology Conference & Exhibition 2004.

In order to assist the Organising Committee in the preparation of the Conference & Exhibition, we would appreciate receiving your intention to present a paper or poster by **21st August 2004**. **Extended abstracts typed double line spacing**, four to eight A4 pages inclusive of illustrations, for either oral or poster presentation should reach us by **25th September 2004**. Authors will be notified of the acceptance of their papers by **23rd October 2004**. The accepted extended abstracts will be published as part of the Conference Proceedings. Presenters are encouraged to submit their full papers for inclusion in a bulletin to be available before the next Conference.

Call for Sponsorships/Exhibitors

Generous contributions in the form of sponsorship of the Conference & Exhibition's events and donations received from various organisations, including PS Contractors, service and consulting companies and other institutions have always made this annual event a success. For the Petroleum Geology Conference & Exhibition 2004, the Organising Committee is again seeking your support, either to donate or to fund Conference & Exhibition functions. Organisations wishing to contribute and exhibit their products and services for the success of the Conference & Exhibition may contact the Organising Chairman directly.

Registration and General Information

All intending participants are advised to register early. Advance registration will be accepted until **20th November, 2004**, together with full registration fee. Late registration will be accepted at the Geological Society of Malaysia's registration desk at the Hotel Istana beginning Tuesday 14th December 2004 from 6 pm to 9 pm and Wednesday, 15th December 2004 from 8 am to 10 am.

Membership	Advance Registration Fees	Late Registration Fees
Full Members	RM150	RM170
Non-Members	RM200	RM250
Student Members	RM30	RM40
Student Non-Members	RM50	RM60

Payment by crossed cheque made payable to the **Geological Society of Malaysia** is acceptable. Outstation cheques should cover bank charges.

The registration fee for overseas participants is US\$53.00 (for Members) or US\$66.00 (for Non-Members) which can be paid by telegraphic transfer or by a bank draft drawn in a local bank or at the secretariat room on Saturday evening (4 December 2004).

Please send registration fees together with the attached Registration Form to:

The Treasurer
Geological Society of Malaysia
c/o Department of Geology
University of Malaya
50603 Kuala Lumpur, MALAYSIA

to reach us by **20th November, 2004**. Lunch and coffee breaks will be provided for all registered participants except student participants.

Accommodation

Accommodation at the Hotel Istana (RM190.00++ per room with breakfast), at the participants' own expense, can be arranged upon request. All requests for accommodation will be automatically confirmed.

Please indicate in the Registration Form if arrangements for accommodation will be required.
